AC Corrugated Sheets & Ridges

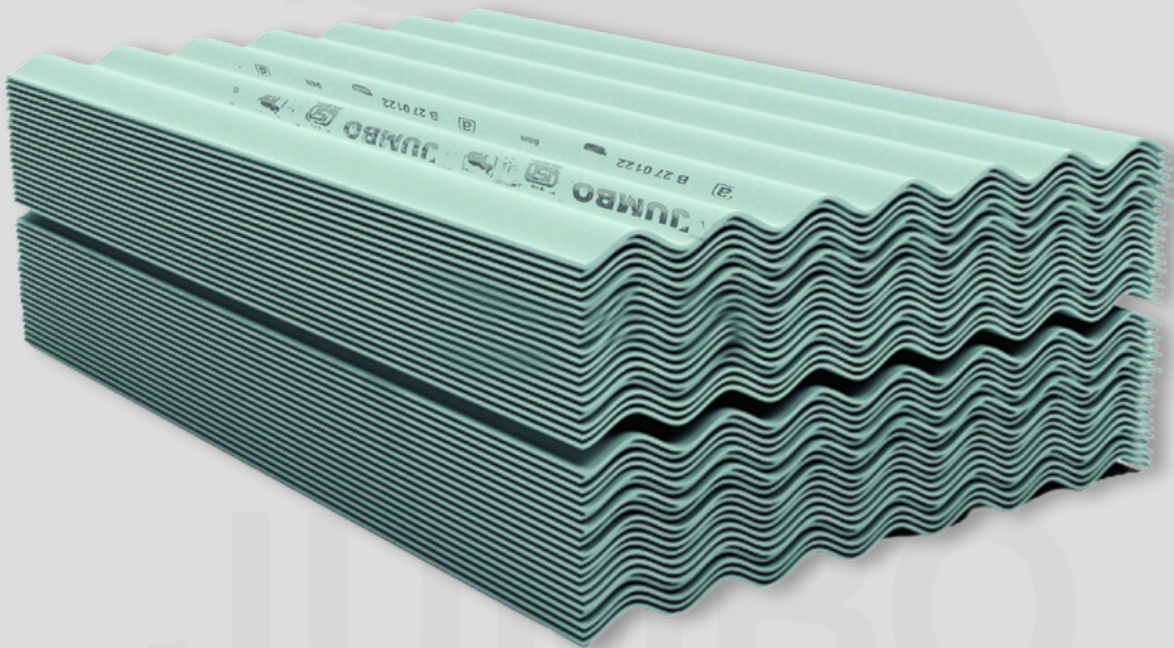

Protect your structures with Jumbo AC Corrugated Sheets & Ridges – strong, reliable and built to withstand the test of time.

AC Corrugated Sheets

Jumbo AC Corrugated Sheets are manufactured using premium-quality cement and imported fibres through a specially developed fibre orientation process. Widely trusted for roofing and cladding applications, Jumbo AC Corrugated Sheets are ideal for residential, agricultural, industrial and commercial buildings, providing a robust and efficient solution for a variety of construction needs.

DIMENSIONS:

Length (metres): 3.60, 3.00, 2.75,
2.50, 2.25, 2.00

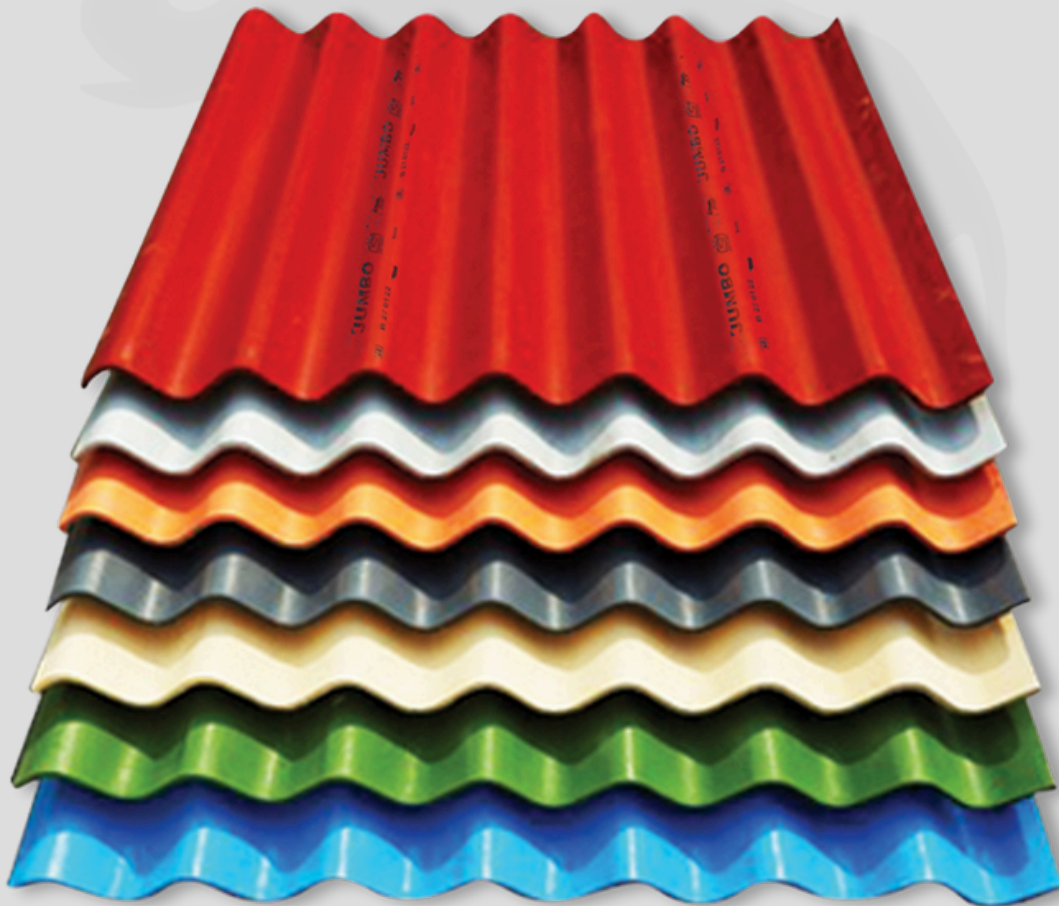

Breadth: 1050 mm

Thickness: 6 mm

AC Coloured Corrugated Sheets

Jumbo AC Coloured Corrugated Sheets offer durable and visually appealing roofing and cladding solutions in a range of vibrant colour options. Widely used across residential, commercial, agricultural and industrial projects, Jumbo AC Coloured Corrugated Sheets deliver strength, protection and style in one reliable solution.

DIMENSIONS:

Length (metres): 3.60, 3.00, 2.75,
2.50, 2.25, 2.00

Breadth: 1050 mm

Thickness: 6 mm

Ridges

Ridges are engineered to create a tighter seal and prevent leakage in roofing systems. Their corrugated design ensures a secure interlock between sheets, enhancing structural strength and rigidity. This added stability helps maintain alignment and shape, reducing the risk of gaps or openings that could cause leaks.

DIMENSIONS:

Length (metres): 1.1
